**Happy New Year Everyone!**

Happy New Year Everyone! We look forward to a new beginning in many ways. In a few months, we will be in a new library facility which is a dream we have been working towards for the last 35 years. We are ever so grateful for the wonderful donation the Rodgers Brothers has given the community. While we are a little sad to leave our beloved Hills Memorial Library building, everyone at the library is eager and excited as many of you have likewise expressed to be in a beautiful new facility. Being next door to AHS and HG Elementary, we especially look forward to serving these populations in ways we could not do so at the HML. There will be changes no doubt as there's something for you at the community.

We are the community. There will be changes no doubt as there's something for you at the community.

New Year’s Resolutions
By Carol Giffin

It’s that important time of the year. The first of January has been seen throughout history as a time of new beginnings and clean slates, as we see in the custom of using a newborn to symbolize the New Year. The tradition of welcoming in the first of January with resolutions can be traced back to the ancient Babylonians. What will be my New Year’s resolution be? Below are only a half a dozen of the many titles available at your library.
