New Library Garden Club
First Meeting, Tuesday, August 6, 6:30PM
You may have noticed the beautiful landscaping happening on the library grounds in recent weeks. Our library will be a showcase of plants and flowers for everyone to enjoy. We are starting a garden club to help us keep our new gardens looking their best. We also plan to have some gardening related programs and discussions.

For this first meeting, please bring work gloves, clippers and any other useful tools as we will be assessing garden needs and working in the gardens if weather permits. If you cannot make the meeting, but are interested in participating, please contact Amy at amyfriedman@rodgerslibrary.org or call at 886-6030.
Join author David Mezzapelle as he discusses his new book, *Contagious Optimism: Uplifting Stories and Motivational Advice for Positive Forward Thinking*. He'll be joined by one of the book’s NH contributors, Joel Heller. *Contagious Optimism* includes stories and parables of amazing life turnarounds from real people worldwide. Nowadays, many people have lost confidence in themselves and the world around them due to personal hardship and worldwide economic and political uncertainty. *Contagious Optimism* shows readers that it’s possible to find the silver lining in every cloud. This book is like *Chicken Soup for the Soul* meets *Pay it Forward*, on steroids!
