Thank you from the Children's Room

Throughout the summer, the library conducted an Usborne book fair in conjunction with our weekly children's events. Because the sales exceeded $500 over the course of the summer, we were able to receive 50% back in the form of free books. In fact, the Children's Room of the library received a total of $292 in free books! The Usborne Books in our collection are very popular with families and get checked out frequently. We are thrilled to be able to add to our collection and upgrade and update some well-loved titles.

Besides being able to earn new books for our collection, we were excited to offer families the opportunity to purchase quality Usborne Books to have at home. Many of the titles offered by Usborne don't work well for a library because of flaps and other features that must be reinforced and repaired due to heavy use. However, these are terrific, high quality learning tools and favorites with kids, so giving parents the opportunity to own them at home was a great way to promote literacy while adding new titles to our collection.

We plan to repeat the book fair again next year. In the meantime, come in and see our new Usborne titles!
