Back to School

September is Library Card Sign-up Month

As Hudson students head back to school this year, the Rodgers Memorial Library wants to make sure that all children have the most important school supply of all - a library card. A library card connects all of us to a world of information and ideas, as well as providing access to a wide spectrum of reliable resources.

Our library provides free access to encyclopedias, test preparation materials, news articles and other important resources needed for research. The library also provides free internet access, an especially important resource for families with no access at home and when schools require students to use the internet to complete their assignments. Owning a library card provides students with the resources they need to compete academically.
So if you haven't already signed up for a library card, make sure to stop by and discover what you're missing.

New patrons who sign up for a library card in September will be entered into a raffle for a Barnes and Noble gift certificate.

World Book Online

New Online Resource - At Home and In the Library

Speaking of back to school, the library now has access to World Book Encyclopedia online! This product consists of World Book Online for Kids (grades K-3), World Book Online Info Finder (grades 4-8) and World Book Reference Center (high school and up). Core encyclopedias are The World Book Student Discovery Encyclopedia and the World Book Encyclopedia.

World Book Online is not just an encyclopedia. It's easy to read articles, multimedia games, science fair projects, interactive tools and activities for young readers. Also included is a biography center, links to world newspapers, web tutorials, eBooks, government resources, and some primary source documents. Some of the resources offered for older readers are practical tutorials on computer basics, personal finance and job searching as well as interactive maps, time lines and common homework topics.

Paper Techniques Workshop Returns

Thursday, September 29, 6:30PM

Our popular paper techniques workshops are starting up again, beginning with a scrapbooking workshop. Come learn some basic scrapbooking techniques and meet others with the same interest. Bring your own photos and materials, such as paper, embellishments and adhesives. Some tools will be available and staff will be there to help with projects. Pre-registration is required: call 816-4522 or register online. For more information on tools and supplies, call the library at 816-4522.

Second Hand Prose
