Children's & Science Discovery Museum Passes

Coming Soon!
Keep your eyes peeled - the library will soon have discounted passes to the Discovery Museums in Acton, MA. The Discovery Museums are only about 45 minutes from Hudson. The Children's Discovery Museum is geared towards toddlers-early elementary students and encourages learning through play. The Science Discovery Museum offers hands-on science learning experiences for all ages. In addition to exhibits, special events and programs are held monthly. The Discovery Museums are a fun place to visit and inspire curiosity and creativity. One pass gets you into both museums which share a campus with plenty of outdoor space for picnicking.
